

Certificate of Registration

This is to confirm that KPMG Performance Registrar Inc. has registered the Occupational Health and Safety Management System of

Greenlane Renewables Inc.

110 – 3605 Gilmore Way, Burnaby, V5G 4X5, British Columbia, Canada

to the Occupational Health and Safety Management System Standard

ISO 45001:2018

The Occupational Health and Safety Management System is applicable to

The design, procurement and supply of biogas upgrading plants, gas compression packages, parts and the management of installation, commissioning and maintenance activities.

This registration is given subject to the terms and conditions governing the use of this certificate as described in the agreement between KPMG Performance Registrar Inc. and the holder thereof. Registration does not assure the effectiveness of the Occupational Health and Safety Management Systems or continued compliance with relevant occupational health and safety legislation and regulations.
